Additional days beyond 10: + £28 per day

Less days than 6: - £20 per day

Additional teaching groups: are provided automatically for groups of 41 fully paying participants or over, as long as the numbers have been confirmed as final at least 6 weeks beforehand. A third teaching group can be provided at cost (please ask for a quote). Such a request must be made 6 weeks before the course.

For smaller coach groups prices hold for 34 + 3 teachers. For each student less than 34 in number add £15 per day to the total GROUP price. *So bringing 30 students on a 7 day course means £(34-30)x15x7 =£420 is added to the TOTAL group cost.* **For special diets** a supplement is no longer required but the information is, in order to forewarn families.

AIR GROUPS (or other groups arriving by public transport) The price **excludes** the travel to the UK, but includes everything else including all the Devon programme travel, plus **direct transfers** between **London Heathrow** and **North Devon** at suitable times (we are 4-5 hours from London). All arrivals in Devon are between 18.30 and 20.30, all departures at 06.30). There is a supplementary charge for any change from the direct route to and from Devon or for picking up from a different location. Stonehenge can only now be booked by the school itself – it is free for a bona fide full-time school but your curricular reasons have to be made very clear! A small budget for each group is also set aside to cover visiting teachers' expenses, except travel.

The prices given below are per student for groups between 18 and 22 in number. Otherwise the price will vary with the size of the group, as indicated.

All prices are reduced by 5% during the winter season above.
